## ***Congratulations to Donna Poole Employee of the Month for April 2019!***

Mrs. Donna Poole has nearly twenty-three (23) years of service in the Information Technology Department. She began her career as a program analyst and is currently serving the city as an IT database administrator II. In her role, she provides IT service responsiveness to our Portsmouth citizens and employees. She also evaluates database systems, servers & related resources to meet the city's technological needs for success.

Mrs. Poole is a native of Tidewater coming from a naval family out of Rapid City, South Dakota. She graduated from Deep Creek High School and received her Bachelors of Science in Computer Science from the prestigious Old Dominion University. Mrs. Poole enjoys investing time with her husband and three (3) daughters with wellness focused activities such as weightlifting, running & watching their youngest daughter's junior league volleyball games.

Mrs. Poole values her work and the connection to her coworkers who have become extended family members. She uses her highly adaptive nature to ensure success when consistently handling new & eclectic challenges. Mrs. Donna is a shining example of how all of us can positively impact the lives of others in our workforce. Congratulations to Mrs. Donna Poole on her selection as our Employee of the Month!
